

# Ladies A's of Illinois Region MARC

## Calling all Women

You are invited to the first Ladies A's meeting and Luncheon. We are encouraging the women of the club to participate as drivers, owners or at least have a comfort level with the Model A. We will be getting together to learn about the cars and enjoy a light lunch.

The goal is to eventually learn to drive the Model A (if you so desire) and develop the women's group of the club. If you already know how to drive a Model A, please come to support those who do not and then of course to enjoy social time.

No driving lessons will take place at this first meeting. We will be familiarizing ourselves with the car. A driving class will be May 21st. At that time, you will have the opportunity to drive with a Volunteer.

When: March 21, 2010, Sunday

Where: Ehrenhofer's Barn  
13012 Route 176, Woodstock IL 60098

Time: 11:00 a.m.
